This brochure provides information for couples interested in celebrating a wedding, covenanting or renewal of vows.

Contact the church office to speak directly with one of our ministers, or visit us any Sunday morning at our 10:30 am service.

Your Wedding is one of the most important moments in your life and we would be thrilled to have you hold this sacred event at Beach United Church.

We have two beautiful sanctuaries available with different layouts. One is large and can seat up to 500 people. The smaller sanctuary can seat up to 350 people. Both have full pipe organs and pianos. We also have a small chapel that seats up to 50 people.

The United Church of Canada's ministry embraces both the traditional and modern. Our ministry team will help you prepare for your marriage and to make choices about your wedding ceremony. If you wish, we can arrange for an organist to consult with you about the type of music you would like at your wedding.

At Beach United Church, we affirm the integrity and sanctity of couples in loving and committed relationships. We celebrate and welcome couples of all sexual orientations who want to honour their commitments through marriage and covenanting ceremonies.

Costs include honorariums for the minister and organist (if required) as well as use of church space. You can also hold your ceremony outside of the church in a location of your choice. For church ceremonies, note that parking in the Beach is limited. Fees are flexible in some cases, based on means or prior church participation.

Sanctuary rental (up to 500 people)	\$500
